

MISSOURI (KCP&L)

Residential space heat rate for heat pumps

At KCP&L, we know you expect electricity to always be there. That is why we've worked hard to build one of the best reliability records in the industry. We also want you to feel comfortable while saving energy and dollars. To help you save, we offer low, eight-month winter space heating rates that are ideally suited for energy-efficient heat pumps.

As the chart below illustrates, residential consumers save with KCP&L's eight-month winter residential electric space heat rate and an energy-efficient heat pump.

*KCP&L Residential Electric Rate Comparison	Standard Rate 1RS1A w/o Heat Pump	Space Heat Rate 1RS6A w/ Heat Pump
Monthly Customer Charge	\$7.06/mo.	\$7.06/mo.
Summer (May 16 - Sept. 15)		
All Customers kWh/mo.	\$0.0904/kWh	\$0.0904/kWh
Winter (Sept. 16 - May 15)		
First 600 kWh/mo.	\$0.0813/kWh	\$0.0571/kWh
Next 400 kWh/mo.	\$0.0487/kWh	\$0.0571/kWh
Over 1,000 kWh/mo.	\$0.0407/kWh	\$0.0379/kWh

**Taxes are not included.*

Register your heat pump

Whether you are building a new home or replacing equipment in your existing home, you will need to register your heat pump with KCP&L. We'll apply the lower space heat rate to your account upon receipt of your proof of installation. There are two ways to register:

- Ask your dealer to complete the **KCP&L Dealer Heat Pump Notification Form** located on our Web site at www.kcpl.com/apps/heatpump/hpform.cfm, or
- Send us a copy of your heat pump invoice. Make sure it includes your name, address, date installed, your dealer's name and address, and the make, model and serial number of your new heat pump. Mail to **KCP&L Billing Services, P.O. Box 418679, Kansas City, MO 64141-9679** or fax to **(816) 654-1391**.

To qualify for KCP&L's eight-month winter space heat rate, the electric heating equipment, such as a heat pump, must be permanently installed and used throughout to heat your home. For more information about heat pumps, our complete rates schedules and other KCP&L energy-efficient residential products, visit www.kcpl.com.
