

# Rebate Incentive Chart

Rebates available to customers making residential efficiency improvements

## RESIDENTIAL HEATING AND COOLING REBATES

Central Air Conditioner*		Heat Pump*	
SEER 15 <sup>†</sup> – Replacing Failed Equipment	\$125	SEER 15 <sup>†</sup> – Replacing Failed Equipment	\$150
SEER 15 <sup>†</sup> – Replacing Operating Equipment	\$250	SEER 15 <sup>†</sup> – Replacing Operating Equipment	\$300
SEER 16 <sup>†</sup> – Replacing Failed Equipment	\$200	SEER 15 <sup>†</sup> – Replacing Central Air Conditioner with Electric Furnace or Electric Baseboard Heating (Failed or Operating)	\$800
SEER 16 <sup>†</sup> – Replacing Operating Equipment	\$400	SEER 16 <sup>†</sup> – Replacing Failed Equipment	\$300
SEER 17 <sup>†</sup> – Replacing Failed Equipment	\$200	SEER 16 <sup>†</sup> – Replacing Operating Equipment	\$600
SEER 17 <sup>†</sup> – Replacing Operating Equipment	\$400	SEER 16 <sup>†</sup> – Replacing Central Air Conditioner with Electric Furnace or Electric Baseboard Heating (Failed or Operating)	\$1,000
<b>Ground Source Heat Pump (GSHP)*</b>		SEER 17 <sup>†</sup> – Replacing Failed Equipment	\$500
EER 23+ – Replace Failed or Operating GSHP	\$800	SEER 17 <sup>†</sup> – Replacing Operating Equipment	\$900
EER 23+ – Replace Failed or Operating Air Conditioner and Electric Resistance Furnace	\$2,000	SEER 17 <sup>†</sup> – Replacing Central Air Conditioner with Electric Furnace or Electric Baseboard Heating (Failed or Operating)	\$1,200
EER 23+ – Replace Failed or Operating ASHP	\$2,000	<b>Heat Pump Water Heater</b>	
<b>Electronically Commutated Motor (ECM – Blower Fan Motor)</b>		Heat Pump Water Heater	\$500 (per heat pump water heater)
ECM (Blower Fan Motor)	\$150 (per ECM)		
<b>Heat Pump Ductless Mini-Split*</b>			
Heat Pump Ductless Mini-Split	\$300		

## RESIDENTIAL INSULATION AND AIR SEALING REBATES

		KCP&L Maximum Incentive <sup>§</sup>	Spire Maximum Incentive <sup>†</sup>
Air Sealing	\$0.08 per sq. ft.	\$300	\$300
Ceiling Insulation, R-38	\$0.30 per sq. ft.	\$500	\$500
Wall Insulation	\$0.65 per sq. ft.	\$150	\$150

## RESIDENTIAL BONUS INCENTIVES<sup>¶</sup>

	Maximum Incentive <sup>§</sup>
Insulation and Air Sealing Rebate Plus Replacing Failed Central Air Conditioner/Heat Pump	\$100
Insulation and Air Sealing Rebate Plus Replacing Operating Central Air Conditioner/Heat Pump	\$150
Insulation and Air Sealing Rebate Plus Replacing Failed or Operating Electric Resistance Heat	\$200

\* All heating and cooling equipment is required to be Air-Conditioning, Heating and Refrigeration Institute (AHRI) rated.

<sup>†</sup> Maximum nominal SEER for operational equipment rebate is 10, and the system must be at least 5 years old.

<sup>‡</sup> Spire natural gas customers are eligible for both the KCP&L and Spire rebates.

<sup>§</sup> Maximum Incentive = Maximum payout per measure for 3-year MEEIA 2 term.

<sup>¶</sup> In order to receive the bonus incentive, multiple update measures must be completed within 6 months.
