

# 1 Program Requirements

The Trade Ally must be enrolled and in good standing with KCP&L Energy Savings to be eligible to submit applications on behalf of KCP&L customers. This participation agreement is exclusively for non-installing Trade Allies who will be submitting applications on behalf of KCP&L customers (i.e. Distributors, Manufacturers, Engineering/Design Firms). Please complete all fields and provide all requested documents in order to complete enrollment. Failure to provide requested information will result in postponed project processing. Completion of this form does not guarantee acceptance in the Trade Ally Alliance. KCP&L reserves the right to decline participation request for any reason, including, but not limited to, prior program misrepresentation, fraud, and customer complaints.

It is the Trade Ally's responsibility to inform KCP&L of any changes to the information provided here. Confirmation of Trade Ally enrollment does not imply endorsement, certification, or qualification of applicant's company, products, or services. Subsequently, Trade Allies may not represent themselves as being endorsed by KCP&L. Use of the KCP&L name or logo by a Trade Ally is not permitted without prior approval from KCP&L.

**To enroll as a Non-Installing Trade Ally for Business offerings**, submit this form and a copy of your W-9 to [businessrebates@kcpl.com](mailto:businessrebates@kcpl.com) or fax (877) 491-2845. For any questions on Business offerings, call (866) 847-5228.

I accept

KCP&L requires the following participation and invoicing standards for the Trade Ally to remain enrolled in the KCP&L Energy Savings offerings.

#### Trade Ally Participation

Trade Ally must:

1. Complete Trade Ally non-installing member application.
  - a. The Trade Ally must notify KCP&L of any changes to these documents
2. Complete Program Participation Training session either in-person or webinar for every staff member interfacing with the Program.
3. Comply with Code of Conduct.

#### Project Application

1. Applications shall be submitted as specified on the program applications and include all required supporting documentation.
2. Project cost must include disclosure of any and all discounts, whether they are granted during pre-installation or post-installation of project.
3. Invoices must include itemized equipment quantities, equipment cost, installation cost, and model/serial numbers.

## Trade Ally Code of Conduct

The Trade Ally agrees to:

1. Conduct business in an honest and ethical manner.
2. Avoid conflicts of interest with all parties.
3. Comply with applicable laws, ordinances, regulations, and codes.
4. Fulfill contractual obligations.
5. Represent program in a manner that does not adversely affect KCP&L's business, operations, reputation, program integrity, or customer satisfaction.
6. Respectful treatment of the customer's facility and property, including communication with the customer and KCP&L when damage to the facility or property has occurred as a result of Trade Ally project implementation.
7. Truth in all aspects of engagement with KCP&L. This includes accuracy and transparency of all submitted documentation, project costs, energy savings projections, and equipment performance claims.

#### Non-Compliance

If Trade Ally fails to comply with the Code of Conduct in any way, KCP&L may, in its sole and absolute discretion, inspect all projects, suspend Trade Ally, and/or terminate Trade Ally status.

KCP&L reserves the right to exercise full discretion in Trade Ally expulsion for all non-compliance issues, particularly those involving fraud, improper customer interaction or program misrepresentation.

## Terms and Conditions

#### Term

Trade Ally status shall commence on the date this application is accepted by the Kansas City Power & Light Company on behalf of itself or its affiliate KCP&L Greater Missouri Operations Company (collectively "KCP&L") and shall continue until terminated in writing by either party as set forth below.

#### Termination

Trade Ally status may be terminated without penalty by Trade Ally or by KCP&L for any reason, at any time. Written notice of termination must be sent to the non-terminating party by mail, fax, or email. When termination is initiated by written notice, termination will be effective as of the date the termination letter is received by the non-terminating party. Upon termination, Trade Ally, and if applicable, Trade Ally's customer, shall be eligible to receive incentive payments earned prior to the termination of Trade Ally status. Notwithstanding anything to the contrary, no payments will be made for any anticipated profits, revenues or the like as a result of termination.

#### Program Procedures and Scope of Service

Trade Ally shall, when appropriate, provide diagnostic services consistent with the procedures and requirements set forth in the applicable program, including all updates, supplied to Trade Ally under separate cover and incorporated herein by reference. Trade Ally acknowledges that Trade Ally has received, read, and agrees to comply with the program procedures outlined in the Program Guidelines and Qualifications.

#### Indemnification

Trade Ally agrees to indemnify, defend, and hold harmless KCP&L, MEEIA, the State of Missouri and their respective affiliates, subsidiaries, parent companies, officers, directors, agents, and employees, against all losses, damages, expenses, fees, costs, and liability arising from any product, system, equipment, or appliance ordered or installed by Trade Ally. The Trade Ally agrees that such obligations under this section shall survive any expiration or termination of this application. To the maximum extent permitted by law, the Applicant agrees to limit KCP&L's liability to the Applicant for any reason to the total amount of the payments identified in this Agreement. This limitation shall apply regardless of the cause of action or legal theory pled or asserted. Under no circumstances will KCP&L, MEEIA, the State of Missouri, and their respective affiliates, subsidiaries, parent companies, officers, directors, agents, and employees be responsible for any indirect, special, or consequential damages, however they may occur.

#### Independent Trade Ally

Trade Ally may present himself/herself/itself as an Ally of the KCP&L Energy Savings offerings. By signing this application, Trade Ally does not become an agent, employee, or representative of the KCP&L Energy Savings offering, KCP&L, MEEIA, or the State of Missouri. The parties shall not be considered to be joint venturers, partners, agents, servants, employees, fiduciaries, or representatives of each other, and no party shall have the right or power to bind or obligate any other party to, or third-party beneficiary of, these terms and conditions.

#### No Representations

Trade Ally shall not, directly or indirectly, represent the Trade Ally's products, services, offerings, or work to potential customers or others as being endorsed, guaranteed, or warranted in any way by KCP&L, the KCP&L Energy Savings offerings, the State of Missouri, or MEEIA. Use of the KCP&L name or logo by Trade Ally is NOT permitted without prior written approval from KCP&L.

#### Confidentiality

Each party may have access to confidential or proprietary information of the other during participation in the KCP&L Energy Savings offerings and accordingly agree to disclose such information only to its personnel who have a need to know such information in connection with the performance of

the program and who are subject to nondisclosure requirements at least as restrictive as those contained herein.

#### Codes and Licensing

Trade Ally and its subcontractors shall comply with and conform to all federal, state, local, and international laws, statutes, ordinances, regulations, rules, codes (including building codes), and orders applicable to Trade Ally, its business, and the work performed by installing Trade Ally. Installing Trade Ally represents and warrants that they have obtained, and currently maintain, all federal, state, local, and foreign governmental franchises, licenses, and permits material to and necessary in the conduct of installing Trade Ally's business and that installing Trade Ally is not subject to, or party to, any license, permit, law, rule, ordinance, regulation, order, judgment, or decree, or any other restriction of any kind or character, which adversely affects the business practices, operations, or condition of installing Trade Ally's business.

#### Misrepresentation

Making false statements on any KCP&L Energy Savings incentive application is punishable under the law. Any person who knowingly files an application containing any materially false information or who purposely and misleadingly conceals information commits a fraudulent act that subjects such person to criminal and civil penalties. Any and all funds determined, in KCP&L's sole discretion, to have been acquired on the basis of fraudulent or misrepresented information must be fully returned to KCP&L. Should the Applicant or its representative apply for and receive duplicate payment, KCP&L reserves the right to recover payments made in excess of the entitled incentive. This section shall not limit other remedies that may be available for the filing of false or fraudulent applications.

#### Electricity Rates

Your energy efficiency investment is subject to the current rates, rules and regulations by the Missouri Public Service Commission ("Commission"). The Commission may alter its rules and regulations and/or change rates in the future. If this occurs, your energy efficiency investment is subject to those changes and you will be responsible for paying any future increases to electricity rates, charges or service fees from KCP&L Greater Missouri Operations Company.

KCP&L Greater Missouri Operations Company's electricity rates, charges and service fees are determined by the Commission and are subject to change based upon the decision of the Commission. These future adjustments may positively or negatively impact any potential savings or the value of your energy efficiency investment.

Any future electricity rate projections which may be presented to you are not produced, analyzed or approved by KCP&L Greater Missouri Operations Company or the Commission. They are based on projections formulated by external third parties not affiliated with KCP&L Greater Missouri Operations Company or the Commission.
